

LEVEL 2 AWARD IN FOOD SAFETY IN CATERING

The Food Safety in Catering (Basic Food Hygiene) qualification is suitable for anybody, whether in a supervisory position or those working directly with food. There are no entry barriers on ground of race, creed or previous academic attainment or learning.

This qualification covers all aspects of food hygiene and safety which enable candidates to identify problem areas and to recommend solutions.

The qualification will provide candidates with knowledge of the parameters of basic food safety practices as relevant to the catering industry.

Achievement of the qualification at Level 2 will enable learners to identify how to make changes to catering practices in order to improve the safety of the catering service as a whole.

This qualification can be completed privately or as part of a Programme.
